Superintendent's Memo

January 27, 2010

Staff and Community Members,

The Board of Trustees would like to invite staff and community members to attend our next Board Meeting on February 4, 2010 at Central School to participate in the Budget Study Session. The Board Meeting starts at 7:00 and the Budget Study Session will be a focus during this meeting.

The purpose of the Budget Study Session is to have a discussion in a public forum that provides the community an opportunity to stay informed, understand the budget priorities and be engaged in the discussion that will take place among the Board and the audience. Staff will provide a budget update so members of the audience know some of the challenges that we may be facing in the coming year and what solutions may need to be considered to remain fiscally solvent.

The survey results from our Cabinet Meeting and our Community Forum will be outlined and included in this discussion. As a community member, you will have the opportunity to give input and add to the ideas that will help us maintain essential services for our students.

Please plan to attend this very informative meeting.

Respectfully,

Dr. Emerita Orta-Camilleri
Superintendent
