### **Date of Board Meeting: July 29, 2010**

Hello Everyone,

I know that some of you have been waiting for the Board's decision regarding the proposed bonds. Although many of you are on vacation you may be reviewing your e-mails.

### **ACTION ITEMS**

The Board of Trustees approved placing two resolutions on the November 2010 election.

Resolution #4 - Ralston Middle School Improvement Measure - This is a district-wide bond that will generate \$25 million to make repairs to the local middle school.

Resolution #5 - Elementary School Improvement Measure – This is a special bond that will generate \$35 million to make renovations to local elementary schools in the Belmont, San Carlos and San Mateo portions of the district.

The July 29 Board Agenda, which is posted on the district web <http://belmont.csbaagendaonline.net/cgi-bin/WebObjects/belmont-eAgenda.woa/wa/displayMeeting?meetingID=636> outlines the specific projects for each of the bond measures

The Board of Trustees approved reinstating crossing guards for our elementary school sites. With the support of Redwood City some of the costs will be supported by the City and the district will cover the remaining costs.
